## Frequently asked questions:

### How soon will I hear about my completed application?

Admissions reviews your application within two to four weeks of its completion, and notifies you by regular mail of its decision. You may also check your application status online at [www.bloomu.edu/admissions](http://www.bloomu.edu/admissions).

### How early can I apply for admission?

You can apply at any time, but applications for the following fall begin to get consideration in September of what would be your senior year in high school. We do not ask students to take SAT or ACT tests as juniors, but we do require SAT or ACT scores for consideration of application, so it is a good idea to take them early in the senior year.

### What is your application deadline?

You can apply at any time, however, you should apply by December 1 for the best consideration. For all majors, with the exception of nursing, we will notify you of a decision within two to four weeks of receiving a completed application. For freshman, nursing applicants, decisions will be made around the end of November/early December.

For some majors, applications received past December 1 will be considered late. We also welcome applications from transfer students in good standing, as well as international and non-traditional students. Freshmen nursing applicants must apply by Nov. 15 and transfer, nursing students by March 1.

### When can I come for a visit?

Group presentations are held throughout each week, including select Saturdays, and are followed by a campus tour. Individual interviews can be made based on availability. Please register for a visit at [www.bloomu.edu/admissions](http://www.bloomu.edu/admissions).

**Open House Programs:** You can register *after September 1* online ([www.bloomu.edu/admissions](http://www.bloomu.edu/admissions)).
