

We would like to provide you with some information regarding an exciting program, which may benefit you.

The Reverse Transfer Program provides an opportunity for students who have transferred from a Pennsylvania Community College to a State System University to receive an associate's degree once they earn a total of at least 60 credits. Obtaining an associate's degree can enhance your earning potential, even as you continue to work toward completing your bachelor's degree.

Students are eligible to participate in the program if they meet the following criteria:

- Transferred at least 45 credits from the most recently attended Pennsylvania Community College (at least 30 credits from Bucks County Community College, Harrisburg Area Community College or Luzerne County Community College)
- Earned a minimum GPA of 2.0 at the community college within the last 5 years
- Completed at least 15 credits at Bloomsburg University
- Earned a minimum GPA of 2.0 at Bloomsburg University

This program allows you to take courses at Bloomsburg University that will satisfy outstanding requirements at the community college.

To opt into the program, please fill out the attached form and submit it to the Registrar's Office at Bloomsburg University. A copy of your transcript will be sent to your previous community college for evaluation. Please contact the Registrar's Office at the community college with questions regarding your outstanding requirements for the associate's degree.

Once you have completed your degree at the community college, please have an official transcript showing the degree awarded, sent to:

**Bloomsburg University of Pennsylvania
Office of the Registrar
