## New Tabbing Options Available!

Tabbing Options  
now available on  
WebCRD

The screenshot shows the 'Printing Options' interface. A red arrow points to the 'Tabs' button in the top navigation bar, with a callout box stating 'Location of tabbing options'. Another red arrow points to the 'Tab Placement' dropdown menu (set to 'Before'), with a callout box stating 'Tab Placement: Before/After/On'. A third red arrow points to the 'Page #' input field, with a callout box stating 'Page # on which tab will be placed'. A fourth red arrow points to the 'Tab Text' input field, with a callout box stating 'Text that will be displayed on the tab itself'. A 'Save Tab' button is also visible next to the text field. At the bottom of the interface, a note reads: '\* \* Tabs are only available in white'.
