

Pedestrian detour to Swisher Circle Parking Lot and Student Recreation Center.

NOTE: NEW TRAFFIC PATTERN
 Due to the placement of the project construction fence located in the west end of the parking lot, new traffic patterns will be in effect.

SIDEWALK CLOSED AHEAD.
 Follow Pedestrian detour to QUAD.

SIDEWALK CLOSED.
 Pedestrian detour to QUAD.

SIDEWALK CLOSED.
 Pedestrian detour to Swisher Circle Parking Lot and Student Recreation Center.

DO NOT WALK IN ROADWAY

Attention Students, Faculty, and Staff,
 Please refer to the MAP shown for pedestrian traffic flow by the Andrus Library.

For safety reasons, **DO NOT WALK IN THE ROADWAY** on Swisher Circle (south side of the Andrus Library construction site.) The area shown hatched is **OFF LIMITS TO ALL PEDESTRIANS.**

Please read the signage on site and follow the pedestrian traffic patterns shown in color green on the MAP.

University Police will be monitoring and enforcing the pedestrian traffic in this area.

Thank you for your cooperation.

(Revised pedestrian traffic patterns)
PEDESTRIAN TRAFFIC PATTERN
ANDRUSS ADDITION FOR TELEPHONE CENTER AND UNIVERSITY POLICE
 (AUG. 24 to DEC. 4, 2015)

Additional details concerning pedestrian and vehicular movement changes will be posted throughout the project.
