

## **FREQUENTLY ASKED QUESTIONS (FAQs)**

### **Q: Why use Employee Self Service (ESS)?**

A: Employee Self Service provides up to date data. ESS gives you the ability to view and verify your own payroll and benefit related data. i.e. dates of hire, dependent coverage, insurance and retirement plans. Current and past pay statements (from 1/9/2004 to current pays) can be viewed.

ESS also allows you to view your leave balances and absences.

### **Q: How do I access ESS?**

A: Log into the Employee Self Service portal at:  
<https://pp2.sytec.passhe.edu:51001/irj/portal>

Effective August 11, 2009, ESS password will be the same as faculty and staff computer login password. See detailed information on the ESS webpage at <http://www.bloomu.edu/hr/ess.php>

### **Q: Do I have to be at work to log on?**

A: No, ESS is a web-based portal that you can access thru the internet at any location.

**Q: If my information is incorrect, who do I contact?**

A: If you find any conflicting information in your payroll/benefit information, please contact the following:

Benefits: Kim Fenicchia [kfenicch@bloomu.edu](mailto:kfenicch@bloomu.edu)  
Payroll: Faculty & Managers – [khicks@bloomu.edu](mailto:khicks@bloomu.edu)  
AFSCME, Police and Nurses – [dsponsel@bloomu.edu](mailto:dsponsel@bloomu.edu)  
SCUPA and Coaches – [pamarant@bloomu.edu](mailto:pamarant@bloomu.edu)

**Q: My leave balances in ESS are not the same as on my pay statement. Why is this?**

A: Since ESS data is real time information, your leave balances in ESS may reflect leave that has been accrued for the next pay cycle. However, please make sure that you are accurately tracking your leave. Major discrepancies should be directed toward Human Resources.

**Q: What is the benefit of viewing my pay statements on-line?**

A: Your pay statement will be available to view as early as Tuesday of the pay week. The funds will not be available at your banking institution until the actual pay date.

You can also now print the statements for proof of employment, for loans, and any other financial verification. Since ESS is web-based, you may be able to expedite loan processing at the lending site.

**Q: Can I update my own data on-line?**

A: Currently at this time you can only view data.
