Bloomsburg, PA 17815

Dear Dr. Soltz:

At its session on September 3, 2013, the Executive Committee for Substantive Change of the Middle States Commission on Higher Education acted:

To acknowledge receipt of the substantive change request, to approve the reclassification of the instructional site at Geisinger Medical Center, 100 North Academy Avenue, Danville, PA 17822 as an additional location, and to include the location provisionally within the scope of the institution's accreditation pending a site visit within six months. The Periodic Review Report is due June 1, 2014.

Enclosed for your information is a copy of the Statement of Accreditation Status for your institution. The Statement of Accreditation Status (SAS) provides important basic information about the institution and its affiliation with the Commission, and it is made available to the public in the Directory of Members and Candidates on the Commission's website at www.msche.org. Accreditation applies to the institution as detailed in the SAS; institutional information is derived from data provided by the institution through annual reporting and from Commission actions. If any of the institutional information is incorrect, please contact the Commission as soon as possible.

Please check to ensure that published references to your institution's accredited status (catalog, other publications, web page) include the full name, address, and telephone number of the accrediting agency. Further guidance is provided in the Commission's policy statement *Advertising, Student Recruitment, and Representation of Accredited Status*. If the action for your institution includes preparation of a progress report, monitoring report or supplemental report, please see our policy statement on *Follow-up Reports and Visits*. Both policies can be obtained from our website.
