Dear Dr. Soltz:

At its session on June 30, 2014, the Executive Committee for Substantive Change of the Middle States Commission on Higher Education acted:

To acknowledge receipt of the substantive change requests and to approve the reclassification of the instructional site at Hazleton Area School District, 1515 West 23rd Street, Hazel Township, PA 18202-1647 as an additional location. To include the additional location at Reading Area Community College, 10 South Second Street, Reading, PA 19613 provisionally within the scope of the institution's accreditation pending a site visit within six months of the commencement of operations to one of the two sites. The Commission requires written notification within thirty days of the commencement of operations at this additional location. In the event that operations at the additional location do not commence within one calendar year from the approval of this action, approval will lapse. To note that the Periodic Review Report, due June 1, 2014, will be acted on at the November Commission meeting.

Enclosed for your information is a copy of the Statement of Accreditation Status for your institution. The Statement of Accreditation Status (SAS) provides important basic information about the institution and its affiliation with the Commission, and it is made available to the public in the Directory of Members and Candidates on the Commission's website at www.mscbe.org. Accreditation applies to the institution as detailed in the SAS; institutional information is derived from data provided by the institution through annual reporting and from Commission actions. If any of the institutional information is incorrect, please contact the Commission as soon as possible.

Please check to ensure that published references to your institution's accredited status (catalog, other publications, web page) include the full name, address, and telephone number of the accrediting agency. Further guidance is provided in the Commission's policy statement Advertising, Student Recruitment, and Representation of Accredited Status. If the action for your institution includes preparation of a progress report, monitoring report or supplemental report, please see our policy statement on Follow-up Reports and Visits. Both policies can be obtained from our website.
Please be assured of the continuing interest of the Commission on Higher Education in the well-being of Bloomsburg University of Pennsylvania. If any further clarification is needed regarding the SAS or other items in this letter, please feel free to contact Dr. Andrea A. Lex, Vice President.

Sincerely,

George A. Pruitt, Ph.D.
