

Mobile MyHusky - Students

Using a Desktop computer or laptop. Once logged in you will see a screen similar to the screen shot below. This particular screen is based on the “widgets” you select to be viewable.

The screenshot shows the Student Center interface. On the left is a navigation menu with items like Home, Admissions, Financials, Class Schedule, Academics, Class Search, Enrollment, Weekly Class Schedule, and Go to Full Site. The main content area features a 'Class Schedule - 2013 Spring' widget. This widget is a table with columns for the days of the week (Monday through Friday) and rows for different classes. The classes listed include CJ STATISTICS, INTRO TO INT'L REL, and INTRO TO PHILOSOPHY, with their respective times and room numbers. Below the main table is a smaller version of the same widget with a day selector (Mon, Tue, Wed, Thu, Fri, Oth) and a partial view of the class list.

Selecting your view - Widgets – the Configure Center

NOTE: Available only via computer (not phone/mobile devices). Click the Configure Center button

This image shows a close-up of the 'Configure Center' button, which is a gear icon next to the text 'Configure Center'. It is located in the top navigation bar of the Student Center, next to the 'Student Center' title.

You will be presented several layout options. Click to place a checkmark by the Activate buttons under each item you wish to select. Click Save when done.

The screenshot shows the 'Edit my Widgets' configuration screen. It displays four widget preview cards, each with an 'Activate' button below it.
