

Winter 2018 and Spring 2019 Scheduling Information

October 29 – Open enrollment for the Winter 2018 term begins for both undergraduate and graduate students.

Open enrollment for Spring 2019 begins for graduate students.

Spring Scheduling Information

October 22 - October 25: 6:00 am, Freshmen who are Fall 2018 Admits and Summer/Fall 2018 Admits will schedule their Spring 2019 classes.

- During this schedule time, Freshmen students can schedule (4) courses; a maximum of 14 credits can be scheduled to allow for labs.

October 29 and October 30: 6:00 am, students with priority scheduling for Act101, Athletes, Honors, The Students with Disabilities Center, Trio, Veterans & BOG will be able to schedule. Beginning October 31st, any further scheduling adjustments needed can be made during your **assigned enrollment appointment time** based upon your **EARNED** credits.

- During this scheduling period students may schedule a maximum of 17 credits to allow for labs.

October 31 - November 09: 6:00 am, students who are Seniors, Juniors, Sophomores and Freshmen can schedule classes based on the Scheduling Timetable.

- During this scheduling period students may ONLY schedule up to 17 credits.
