Thunderbird IMAP Instructions For Faculty and Staff

3) Click on 'Add Account...'

Thunderbird IMAP Instructions For Faculty and Staff

4) Check 'email account' and click next.

Thunderbird IMAP Instructions For Faculty and Staff

5) Enter your name and your email address. Click next.

The screenshot shows the 'Account Wizard' dialog box with the 'Identity' tab selected. The window title is 'Account Wizard' and it has a close button (X) in the top right corner. The 'Identity' section contains the following text and input fields:

Each account has an identity, which is the information that identifies you to others when they receive your messages.

Enter the name you would like to appear in the "From" field of your outgoing messages (for example, "John Smith").

Your Name:

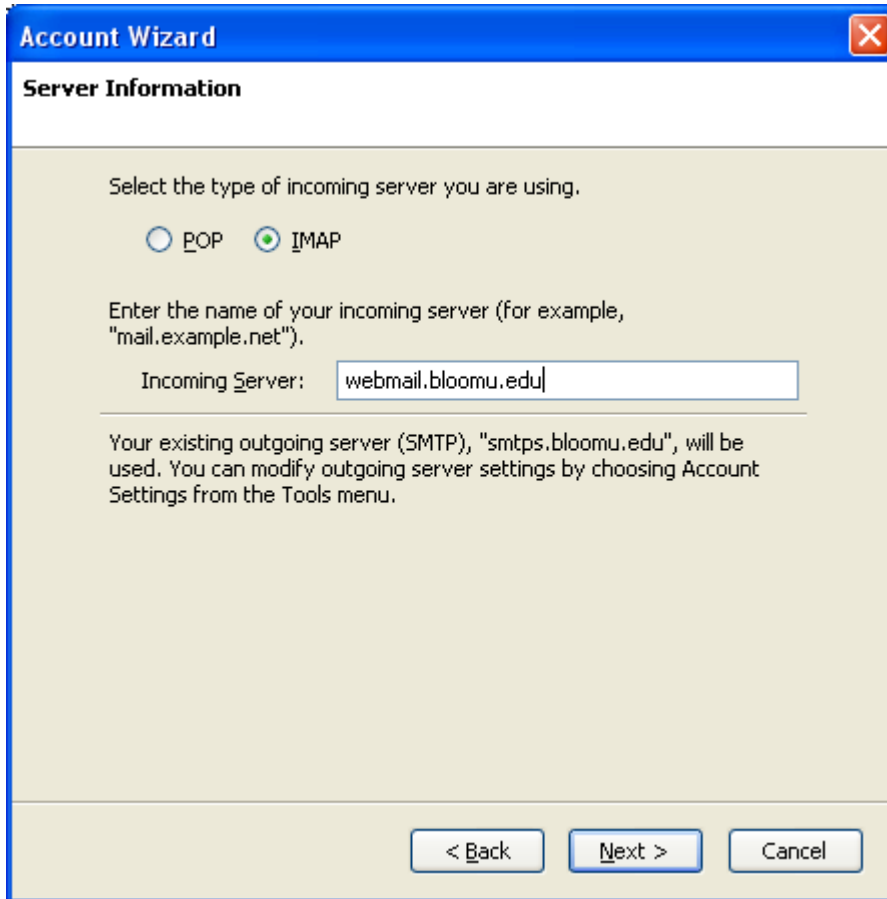

Enter your email address. This is the address others will use to send email to you (for example, "user@example.net").

Email Address:

At the bottom of the dialog, there are three buttons: '< Back', 'Next >', and 'Cancel'.

6) On this screen enter 'webmail.bloomu.edu' as the incoming mail server. Make sure the 'IMAP' button is selected. Click next.

The screenshot shows the 'Account Wizard' dialog box with the 'Server Information' tab selected. The dialog has a blue title bar with a close button in the top right corner. The main content area is light beige and contains the following text and controls:

- Text: "Select the type of incoming server you are using."
- Radio buttons: "POP" (unselected) and "IMAP" (selected).
- Text: "Enter the name of your incoming server (for example, 'mail.example.net')." followed by a text input field containing "webmail.bloomu.edu".
- Text: "Your existing outgoing server (SMTP), 'smtps.bloomu.edu', will be used. You can modify outgoing server settings by choosing Account Settings from the Tools menu."
- Buttons: "< Back", "Next >", and "Cancel" at the bottom.

Thunderbird IMAP Instructions For Faculty and Staff

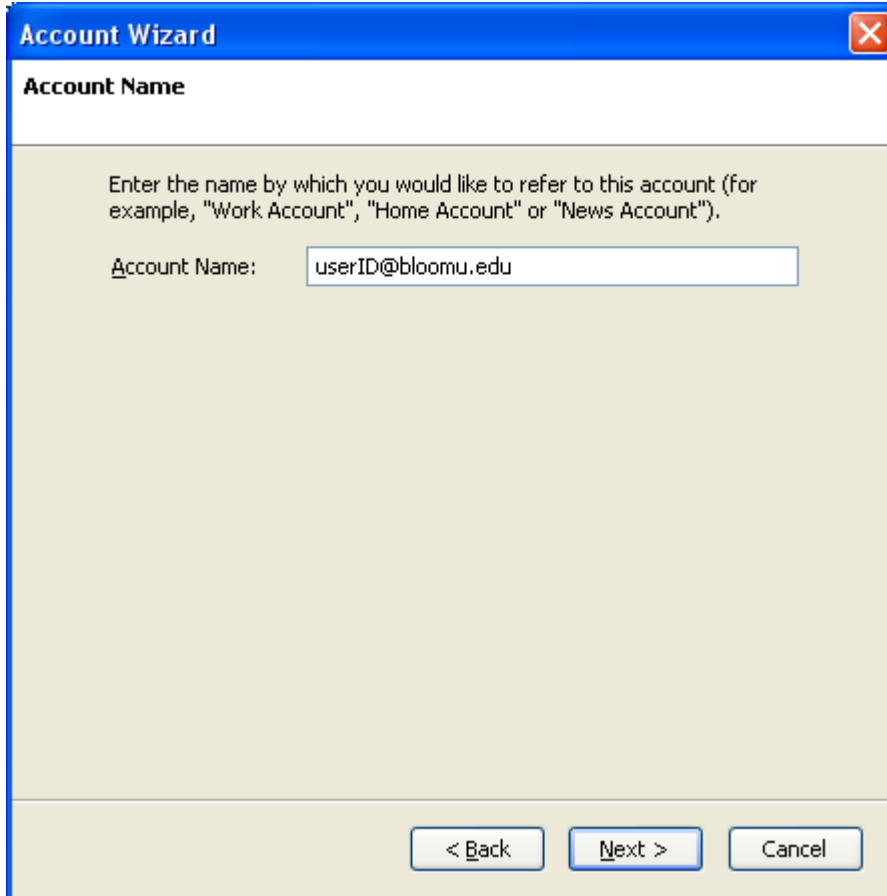

7) On the next screen your userID should automatically be placed in the field. If it is not there enter your userID in the space provided. Click next.

The screenshot shows a dialog box titled "Account Wizard" with a close button in the top right corner. The main heading is "User Names". Below this, there is a text instruction: "Enter the incoming user name given to you by your email provider (for example, 'jsmith')." This is followed by a label "Incoming User Name:" and a text input field containing the text "UserID". Below the input field, there is another text instruction: "Your existing outgoing (SMTP) username, 'userid', will be used. You can modify outgoing server settings by choosing Account Settings from the Tools menu." At the bottom of the dialog box, there are three buttons: "< Back", "Next >", and "Cancel".

Thunderbird IMAP Instructions For Faculty and Staff

8) The next screen will ask you for an account name. You can use the default which is entered for you or choose whatever you like. Click next and then finish.

The screenshot shows a dialog box titled "Account Wizard" with a close button in the top right corner. The main heading is "Account Name". Below this, there is a text instruction: "Enter the name by which you would like to refer to this account (for example, 'Work Account', 'Home Account' or 'News Account')." Underneath the instruction, the label "Account Name:" is followed by a text input field containing the text "userID@bloomu.edu". At the bottom of the dialog box, there are three buttons: "< Back", "Next >", and "Cancel".

Thunderbird IMAP Instructions For Faculty and Staff

9) You should be back to a screen that looks like this after clicking finish. Click on 'Server settings' and select 'SSL' under 'Security Settings'. Verify that the port number is '993'. "Check for new messages at startup" is optional.

Thunderbird IMAP Instructions For Faculty and Staff

10) Click on 'Outgoing Server (SMTP)' then click 'Edit'. Change the port number to 587 and verify that the 'TLS' option is selected, and the Server Name reads 'webmail.bloomu.edu'. Click OK.

11) Click on Get mail to get your messages. You will be prompted for your password. Enter your BUAD password. It is recommended that you **don't** check 'Use Password Manager to remember this password' for security reasons when using a shared computer. Click OK.
