Bloomsburg:

The VITA program will begin assisting taxpayers on 2/11 and close on 4/10. We are open from 4-8pm on Mondays, Tuesdays, and Wednesdays. We will be closed (3/18-3/20). We operate VITA at Wesley United Methodist Church - 130 W 3rd. St., Bloomsburg (3rd and Market, 1 block down from post office). Our VITA program is a walk-in service. We try to complete the returns in an hour, but it usually takes a bit longer. If the return is for a married couple (or family) then both spouses must be present to sign the paperwork. We also require identification (drivers license, Social Security cards) for each person listed on the return (husband, wife, and all children). Other items that a client should bring are: copy of last year’s tax return; all tax forms w-2, 1099, etc.; proof of account for direct deposit of refund (e.g. voided check); information for deductions/credits.
