Please read the parking instructions on the back of the permit.

Allow extra time for interstate traffic and construction projects taking place on campus. Heavy traffic, delays and projects may impact campus traffic patterns.

Due to new construction projects on campus, please allow additional time to find parking upon your arrival. Please watch for signs.

Periodically, we need to cancel previously scheduled visit dates due to inclement weather. Please check the web site www.bloomu.edu/today for up-to-date information before traveling.

If you have misplaced your visitor parking permit for the day, you can stop in the BU Police Station (listed as POLICE on the campus map near the Andruss Library) to pick one up upon your arrival.

You can learn more about parking on campus at www.bloomu.edu/parking.

GENERAL DIRECTIONS TO THE ADMISSIONS OFFICE:

Be sure to display your parking pass when you park.

If you do not have a parking pass, please stop at the BU Police Station (identified as POLICE and marked in yellow on the map near the Andruss Library) to obtain one.
