

Gender Studies Minor

It's the study of social, cultural, and historical constructions of gender and its intersections with other constructions such as race, class, nation, and sexuality.

The program investigates gender relationships and inequalities in a variety of societal contexts and strives to provide co-curricular experiences to enhance the Gender Studies Minor curriculum and raise awareness about issues of gender.

18 Credits Required

One required core course:

COMMSTUD 309 Gender Issues in
Communication

ENGLISH 288 Feminist Reading of Culture
