

Observation Requirements and Signature Form

By the beginning of the sophomore fall semester all students should have completed (10) ten observation hours divided between audiology and speech/language pathology. These observations can be completed in hospital, rehabilitation center, private practice, clinic, public and/or nonpublic school settings, etc. The observation must be of a professional holding their Certificate of Clinical Competence (CCC).

A minimum of 10 hours of observation (5 hours for both audiology and speech pathology). A copy of the completed form should be given to the department secretary.

Audiology

Date _____ Site _____
