## NATIONAL HAZING STUDY

Visit the [www.HazingStudy.org](http://www.HazingStudy.org) Web site, or download the pdf of the [\*Hazing in View: College Students at Risk\*](#) report.

This investigation is the most comprehensive study of hazing to date. It includes survey responses from more than 11,000 undergraduate students at 53 colleges and universities in different regions of the U.S. and interviews with more than 300 students and staff at 18 of these campuses.
