It will take approximately 2 business days after the refund has been processed before it will appear in the designated checking or savings account.

The Bursar Office has the authority to make an account Inactive if it does not meet the necessary banking restrictions, i.e. routing number is incorrect, no bank selected, no account type has been selected, etc.

Student will be notified via their BU email address of the success or failure of any direct deposit transactions. If your direct deposit fails, you will be issued a check and it will be mailed to the home address of record on the student account.
