Dear Future SourcePoint Requestor,

We are one month away from kicking off **SourcePoint Training!** The team is still hard at work finalizing the curriculum and refining materials, but we wanted to give our colleagues across PASSHE the opportunity to begin registering for sessions.

As a reminder, training will be held during the month leading up to **Go-Live on April 12th, 2021.**

Multiple sessions of each course will be scheduled **March 15th- April 9th,** allowing you to “choose your own adventure” and schedule around your needs.

Specific information and registration links for training based on your SourcePoint role can be found below.

Requestors

Requestors, end users who submit purchasing, sourcing, and/or contract requests, will receive access to help guides and resources. Optional virtual training will be available for users who would like a live learning experience.

To register, click the links below and complete the Zoom registration form. On the confirmation screen, you will have the option to add the event to your Outlook calendar. We recommend using this feature to help track your personal training schedule.

Recommended Courses for Requestors:

- Guided Buying 101 (90 minutes)
- Approval Demo (30 minutes)

Note: You should only register for one session of each course.

Next Steps

Please register for required courses by **February 26th, 2021** to help our team plan for session coverage. We recommend registering early as courses are offered on a “first come, first served” basis and will fill up.

Visit the [SourcePoint Portal](#), our one-stop-shop for all things SourcePoint. You will find archives of previous communications, FAQs, recordings of system demonstrations, and MORE!

Thank you again and if you have any questions, please reach out to **SourcePoint Change Management Lead, Carley Kramer** at cakramer@passhe.edu.

Kind Regards,

SourcePoint Team
