

BLOOMSBURG UNIVERSITY ALUMNI ASSOCIATION

Husky Ambassadors

Dear Applicant,

Thank you for expressing interest in the Husky Ambassadors! The Husky Ambassador organization was created in 1985 to advance the mission of Bloomsburg University by helping to improve and to establish new relationships between the students, alumni, faculty and staff members of Bloomsburg University. Husky Ambassadors come from many different backgrounds and participate in a variety of campus activities and organizations. The one idea that unites all Husky Ambassadors is the common belief that our involvement in, and loyalty to, Bloomsburg University does not end upon graduation. As alumni of Bloomsburg University, we will continue in our efforts to support the university and its mission.

The Husky Ambassadors serve many different roles and are very active on and off campus. The Ambassadors help convey the needs and sentiment of the student body to the Alumni and friends of Bloomsburg University. Ambassadors also help promote career and professional development programs and opportunities provided through the Professional U initiative to other students. The Ambassadors are directly involved with Homecoming and Alumni Weekend, admissions open house tours, regional alumni events, professional development workshops and various other campus and community services events.

The recruitment process has three components designed to help the organization identify prospective members who possess the best combination of skills, experience and character. The first component is the formal application which informs the organization of your interest and background information. The second is an organized meet and greet which provides each applicant with the ability to introduce themselves to the members of the organization. The third component is a formal interview with the advisor and members of the recruitment committee. We are looking for students who are in good academic standing, possess excellent communication skills, leadership potential, and express a sincere dedication to and interest in Bloomsburg University.

Attached is an application for membership which includes a basic information sheet and essay questions. Please return the completed application along with your typed responses to the essay questions. Also, ask a faculty or staff member to agree to serve as a personal character reference. Completed Applications can be emailed to nconroy@bloomu.edu.

If you have any questions about the Husky Ambassadors or the recruitment process, please feel free to contact me at 570-389-4215. On behalf of all the current and past Ambassadors we thank you for your interest and wish you the best of luck throughout the recruitment process!

Sincerely,

Nathan Conroy '06
Director of Alumni Engagement
Husky Ambassador Advisor
